

THE TRUMPETER

RE-UNION - JUNE 7th & 8th ! : 1956

This will be the last issue of the Trumpeter before the Annual Re-Union so once more we remind you to reserve the date, June 7th for the Stag and, as a bribe to your wife so she will let you take her to the dance on June 8th, we have reserved Harry Edwards' orchestra. Those who attended the dance last year said it was one of the best affairs of the year.

MEMBERSHIP

As mentioned in the previous issue one of our big projects for this year is to revise and bring up to date our membership list and to increase membership.

The main requirement for a member of any organization, to be in good standing, is to be paid up in his dues. The last sheet of this issue contains a form and instructions on how to fill it out. Don't forget \$1.00 when enclosing the form in the self addressed and stamped envelope.

If you are one of the few who have paid their dues, why not use the envelope to send in some news for the Trumpeter, of course if you are sending in your dues any items of interest you would care to send along will be welcomed. We can't promise to include everything in The Trumpeter but remember, this is your paper and the only source of news items we have is from the members so keep them coming in.

BATTLE HONOURS

The selection of Battle Honours for the Regiment is now being considered. Claiming these Honours is of course a Regimental responsibility but the Commanding Officer has requested advice and assistance from the Association. A committee has been appointed to whom we can forward our suggestions. All claims have to be supported particularly for D-Day, and we need copies of Squadron, Regimental, Brigade Division orders or similar documents, referring to Squadron or Regimental participation. If you have such documents, or know where they can be located, please give them or loan them to us.

LOST SHEEP

We didn't have a very encouraging response to our listing in last issue of the Trumpeter asking for addresses but how about trying again men. We would like to mention though that we sent a list of names to Harry Bough in Cornwall asking if he could help us out with addresses. Harry scored 100% and sent up to date addresses for every name on his list. Thanks a lot Harry. We suppose Roger Casselman helped.

PLEASE! Does any one know the addresses for these lost sheep?
